

Alafone Smart Walkie Talkie Catalogue 2024

About Us

Quanzhou Alafone Smart Co., Ltd Located in Quanzhou, China, is a nationally recognized high-tech enterprise dedicated to the research & development, production, and sales of intelligent mobile terminal products.

Our products includes smartphones, smart walkie-talkie, tablet pc, handheld intelligent PDA etc., guided by the principles of "Integrity, Quality, and Innovation." We have established stringent quality management systems and efficient production lines to ensure product stability and timely delivery to our customers.

We has been honored with ISO9001 international quality system certification, along with CE, FCC, RoHS, appearance patents, software copyrights, explosion-proof certification, GSMA product certificates. Our products are widely used in communication, security, smart manufacturing, emergency rescue, logistics, smart aging, smart agriculture, petrochemicals, smart grids, exploration, and mapping, providing reliable solutions for our customers.

Welcome to Talinfo Comm, We look forward to collaborating with you to create brilliance!
